Te Ara Kahurangi

A Transformational Leadership Journey

Te Ara Kahurangi

A Transformational Leadership Journey

Te Ara Kahurangi is designed for senior leaders across all sectors who are “morally compelled about what’s happening nationally and globally” and wish to reimagine and revitalise their leadership practice.

Drawing on te ao Māori and Western global frameworks, the journey will shape the kind of leaders you want to be and the organisations and futures you want to help create.

August 2026 - May 2027
